43 the Court.

44 1. In the August 15, 2018 Joint Status Report, the EEOC and Respondents agreed they
45 would report to the Court regarding whether Respondents produced all remaining documents
46 responsive to Subpoena No. LV-017-03 (“Subpoena”) by September 14, 2018. (ECF. No. 8).

1 2. On September 7, 2018, Respondents produced documents partially responsive to
2 Subpoena request number three, which sought Respondents' application data and documents.
3 However, Respondents informed the EEOC that they were unable to produce the remaining
4 documents responsive to request three by the September 7th deadline because of difficulties
5 accessing the data and documents from their former vendor. Respondents subsequently
6 reactivated their account with the vendor so they can they can access and produce all the data
7 and documents responsive to Subpoena request number three. However, since the amount of
8 data is voluminous, it will take another four weeks for Respondent to obtain and produce the
9 responsive information. Respondents have agreed to work diligently to produce the responsive
data and documents by October 12, 2018.

10 3. In light of Respondents' need to for additional time to produce documents responsive to
11 the remaining requests for Subpoena LV-17-03, the parties stipulate to an order as follows:

15 **2018** regarding whether Respondents have fully complied with Subpoena No.
16 LV-17-03.
